Subject:	Three reasons to claim this Pi Day offer

The Economist GMAT TUTOR

To celebrate Pi Day, we are offering our **BIGGEST DISCOUNT EVER**. Save 20% on the Ultimate and Premium Prep plans!

Why claim this offer?

- We guarantee you'll improve **at least 70 points**. If you haven't taken the official GMAT test yet, we'll use your first practice test score as your baseline.
- You'll have access to the program for either **six months or an entire year** depending on your plan level–more than enough time to study and achieve your target score.
- Offers like this are rare, so take advantage of our **best offer ever** while you can!

Just click this link, and a special promotion code will be applied to your account. The offer will expire at midnight ET on March 16th, so be sure to purchase before then!
